Dance has always been my passion and I love the feeling of being on stage! I am a member of National Honors Society for dance arts (NHSDA). I was Junior Miss Turn it up MN 2021 and Junior Miss Triple S MN 2021. I am an ambassador for CosiG dance wear and Dance Hope

Cure. I know when I am older I want to teach dance but I also want to go to law school. I believe hard work pays off and to always shoot for your dreams.

I'm 7 year old Analise Paris & I first walked into the dance studio just before I turned 2. I'm represented by Tidc in South Australia, where I learn all genres in dance & I've been training for 1 year with Lucy Ellis, who pushes me to achieve goals I wasn't capable of yesterday. Flexibility isn't gifted to me naturally, so my Mum encourages me to put in the hard work when I can, at home to support my training.

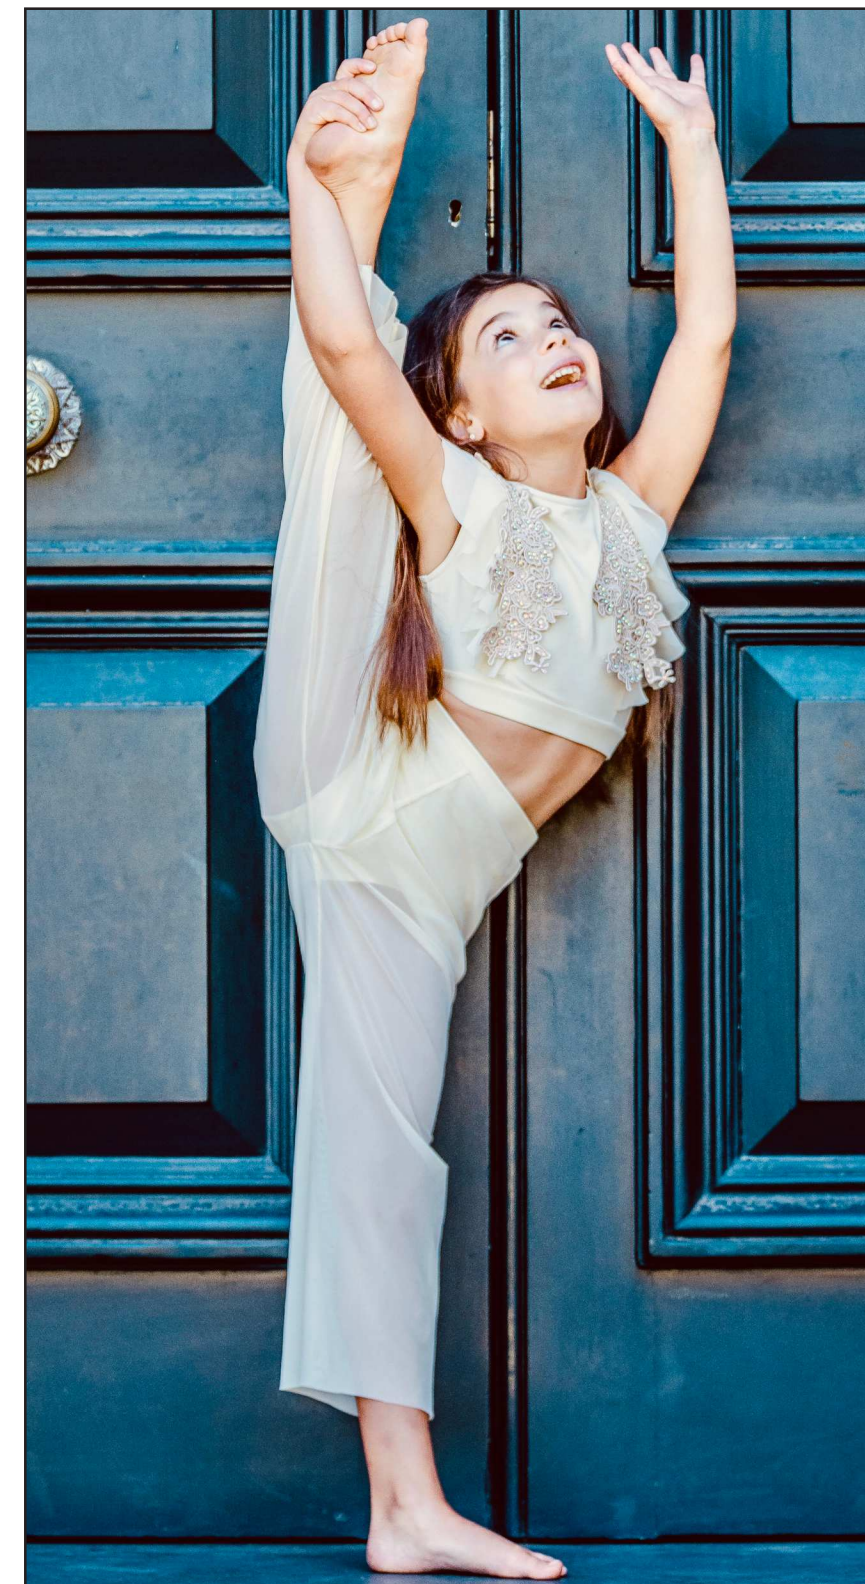

I'm super blessed to have two solo choreographers Shenayde Wilkinson & Lucy Ellis, who create & choose solos that are individualised for me & my big personality! The stage is my home & I dance to be a better version of me.

Outside of the studio I love art, music, putting my hot pink kayak in the ocean, I'm slightly obsessed with Abbey Lee Dance & have been begging to get on the ice rink - My Mum isn't sold on this idea!

My favourite place I've visited to date is Santa Monica, California, but next I visit USA, will have to be in Abbey's studio for a live class in Pittsburgh or on set in Broadway under the lights in New York City.

My passion is to perform & entertain, I sure hope I can achieve this & more in the future.

for my solo and group dancing with my best friends. I would say my greatest accomplishment this far was not only achieving great results with my performances and competitions being recognized as a Title winner or outstanding dancer, but rather meeting instructors and new people that introduce me to what is possible and what I can become if I keep dreaming BIG. I love hearing the stories of how people became

professionals in the dance world and I really hope I can join them one day on the stage in the big cities!

My name is Landon and I'm 12 years old with BIG dance dreams. I want to be a professional dancer and be recognized by my community as someone that is inspiring and helpful to others. I especially would like to inspire boys to dance too. I enjoy all types of dance, and my favorites are ballet and contemporary. My background training started as a Jr. Olympic Elite Gymnast and I had great success. However, in winter of 2019 I realized I wanted to try dance. I started with a rec class and

fell in love with the stage and modeling. It's a challenge to be the only boy sometimes and can feel very lonely. I'm hoping that my achievements I've made in such a small amount of time can help and encourage other boys to dance with me. I'm so happy to be a part of my community's ballet company Charlotte City Ballet and also be on a pre-professional travel team with Bridge Dance Arts. I get to enjoy performing on stage with beautiful choreography from talented teachers

I wanna be one of the best gymnastic players to achieve this goal I started to practice when I was just 3 years old and also I like ballet 🩰 and swimming 🏊 and I work on them too. I like to learn different languages to communicate with other people in this case now I'm bilingual 🗣️

1 of the most excited experience to happen in my life was meeting the 1 and only Abby Lee Miller from dance moms it was a dream come true. Miss abby was such a wonderful and kind woman she taught us a wonderful lyrical piece. I also went to her meet and greet and got to find out all the drama behind the show!
